

June 8<sup>th</sup> CAFO docket conference call summary of action items and proposed response dates:

## Exemption 5 and Exemptions 7(A) and 7(E)

**Format changes to CAFO Civil Enforcement Report:**

- Add Next Steps to the next report to indicate what needs to be done to move cases forward, and to advise and request USEPA assistance.

**Work Plan activities:**

- In accordance with the work plan agreement, USEPA legal staff and management will plan training (video conference) to discuss legal issues and strategy with respect to CAFO litigation and enforcement, including USEPA penalty policies. By July 15, 2011, schedule a conference call to work out training agenda and video conference date(s).
- In accordance with work plan agreement, propose a date for IEPA and USEPA to confer and review the findings and documentation of all CAFO noncompliance cases beginning with those initiated in 2009. By July 15, 2011, schedule a conference call to initiate this work plan activity.
